 Available
 Mill sourced

Bisalloy brand is commonly stocked.
 Other brands manufactured overseas are available upon request.

Additional grades and thicknesses available on request		
Grade	Plate dimensions	Plate thickness
60	Available on request	4.5 to 200mm
80PV	Available on request	6.0 to 100mm
80RE	Available on request	2.3 to 9mm
320	Available on request	5.0 to 100mm
400	Available on request	4.5 to 50mm

Calculation for plate mass: width x length x thickness x 7.85 = plate weight.
 Example: 2.5m x 8.0m x 12mm x 7.85 = 1884kg or 1.884 tonne.
